**End:** 7/20/2011 12:00 PM

**Show Time As:** Busy

**Recurrence:** (none)

**Meeting Status:** Organizer

**Organizer:** Han, Linda (DPH)

**Required Attendees:** Han, Linda (DPH); Stiles, Tracy (DPH); Green, Bernadette (DPH); Borne, Deborah (DPH); Kazianis, Arthur (DPH); Boseman, Renee (DPH); Caloggero, Dina (DPH)

I divided the list of providers into 4 worksheets, in an attempt to organize things for our meeting. I also unmerged the merges so that you can sort however you like.

Worksheets are called:

- 1) No brainer: providers with one contact name and one address and yes/correct comment from Bernadette
- 2) Easy: same as the no brainers, with some comments or provider updates or proposed provider name changes
- 3) Apryl: waiting on Apryl's (or Eduardo's) review
- 4) Discuss: complicated providers that may require some extra thought, like BMC and Baystate. This is the shortest list so hopefully we can get everything sorted out in the allotted time!

Thanks,  
Linda

How about 10 am on Wed 7/20/11? I don't think it will really take 2 hr but I'll try to book the room for that period. Thanks, Linda

Hello Linda,

It was nice talking with you this morning and look forward to meeting with you and your staff. I would like to include Renee Boseman in this meeting because of her role as the Research and Evaluation Unit data coordinator and the point person for Deborah.

Both Renee and I are available all day on Wednesday, July 20<sup>th</sup>.

Thanks,

Bernadette

Bernadette:

It looks like everyone is around the week of July 18-22, with Wednesday July 20 looking wide open. Alternatively, we can aim for the afternoon of Thurs July 21, if that doesn't conflict with Dan Church's event, so as to save you a trip over here?

Looking forward to a productive meeting!!

Thanks,

Linda

Hello Linda,

I hope you are well.

Please review the two attached provider lists. The excel list (with the yellow highlighted sections) is a provider list that Barry Callis gave me several weeks ago to update.

I would like to be of assistance to you and your staff. I am concerned that the above-mentioned list is incomplete and it may be the way it is sorted. The list appears to be sorted by zip code and not provider name. The PS STI contact list was provided to Arthur and Laura Smock in March. Arthur sent me a list of information that was needed and I put together a form that all providers were asked to complete and send back to OHA.

I would like to propose a short meeting to determine if what we have provided is complete and If not, I will confirm with all our Prevention and Screening, and Corrections contracts the required information.

Thank you,

Bernadette Green
